Department of Justice.

## Scope

Gail Hornor is a pediatric nurse practitioner who has worked in the field for over 40 years. She is the founding Pediatric SANE Coordinator for Nationwide Children's Hospital's SANE program and worked in the child advocacy program providing care for children and adolescents with concerns of sexual and/or physical abuse. She joined the staff of the International Association of Forensic Nurses in 2021 as a Forensic Nursing Specialist where she supports the practice of forensic nursing both nationally and globally. Gail conducts clinical research and has published extensively in peer-reviewed journals discussing various aspects of child maltreatment.

## Organization

Publications are listed in date descending order and include articles, book chapters, reports, research briefs, and international publications. Links are provided to full text publications when possible. However, this collection may not be complete. More information can be obtained in the Child Abuse Library Online.

## Disclaimer

This bibliography was prepared by the Digital Information Librarians of the National Children's Advocacy Center (NCAC) for the purpose of research and education, and for the convenience of our readers. The NCAC is not responsible for the availability or content of cited resources. The NCAC does not endorse, warrant or guarantee the information, products, or services described or offered by the authors or organizations whose publications are cited in this bibliography. The NCAC does not warrant or assume any legal liability or responsibility for the accuracy, completeness, or usefulness of any information, apparatus, product, or process disclosed in documents cited here. Points of view presented in cited resources are those of the authors, and do not necessarily coincide with those of the NCAC.
