Scope

This bibliography lists publications related to child maltreatment issues authored by Dr. Sandy Wurtele. Dr. Wurtele is a psychologist and Professor Emerita specializing in the prevention of childhood sexual abuse (CSA). She is the author of educational and scholarly materials on preventing CSA and has provided training and consultation to a number of national and international organizations and researchers. Dr. Wurtele has served on the National Center for Missing & Exploited Children's Education Standards Task Force for developing Guidelines for Programs to Reduce Child Victimization and served as the Child Protection Consultant for the Catholic Diocese of Wilmington (DE) along with the USA Swimming Safe Sport Committee and has served as expert reviewer for Australia's Royal Commission into Institutional Responses to Child Sexual Abuse and for U.S. Centers of Disease Control. Her business, SKW Consulting, conducts forensic evaluations and provides expert testimony on civil cases of CSA occurring in youth-serving organizations.

Organization

Publications include articles, book chapters, reports, and research briefs and are listed in date descending order. Links are provided to full text publications when possible. However, this collection may not be complete. More information can be obtained in the Child Abuse Library Online.

Disclaimer

This bibliography was prepared by the Digital Information Librarians of the National Children's Advocacy Center (NCAC) for the purpose of research and education, and for the convenience of our readers. The NCAC is not responsible for the availability or content of cited resources. The NCAC does not endorse, warrant or guarantee the information, products, or services described or offered by the authors or organizations whose publications are cited in this bibliography. The NCAC does not warrant or assume any legal liability or responsibility for the accuracy, completeness, or usefulness of any information, apparatus, product, or process disclosed in documents cited here. Points of view presented in cited resources are those of the authors, and do not necessarily coincide with those of the NCAC.
