

Connect to Protect

A PROMISE to Strengthen Protection and Justice for Child Victims Across Systems and Borders

For a child-centred and coordinated response to violence, trafficking and online sexual abuse

PROMISE ELPIS

Enhancing early identification, adequate assistance, protection and access to child-friendly justice for children in online child sexual abuse cases

Looking Ahead Paper

Recommendations for regional policy makers, alongside support for national stakeholders to mobilise the full array of EU and international measures, to prevent and respond to online child sexual abuse.

At a Glance

Compilation of a wide range of specialised resources for different professionals focusing on online child sexual abuse, developed by the Elpis partners.

PROMISE TRM Working together for child victims of trafficking

Creating a Cycle of Protection

Guidance for child protection and justice professionals to collaborate in early identification, prevention and response to and trafficking of children.

The Guidance

In partnership with the
Council of the Baltic
Sea States

PROMISE SOTERIA Strengthening child protection in transnational cases

Exploring transnational child protection cases

A Guidance and accompanying tool to support child protection and child justice professionals to uphold children's rights in transnational cases.

The Guidance
